To The Secretary to the Government of Madras

Development Department.

Sir,

Ref--G.O. No. 791 Ms. Development dated 30th June 1933

I have examined in detail the recommendations of the Board of Visitors. These recommendations, if given effect to, will involve additional recurring and non-recurring expenditure to Government. In view of the present finance situation and of the fact that the school was only recently reorganised in pursuance of the recommendations of the Retrenchment Committee I am not able to recommend that Government should commit themselves to any extra expenditure at present.
